

## How to Apply Durafold™ and Paperfold Book Jacket Covers

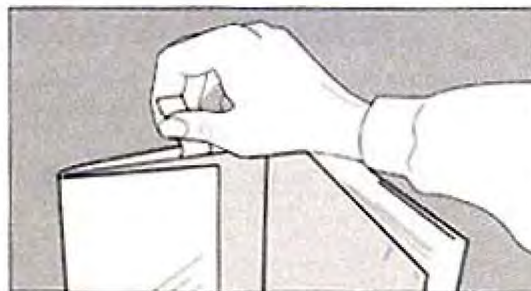

(1) Insert book jacket (printed face down) into folded edge of book jacket cover, (or face side down in between paper backing and clear Mylar if using the Paperfold covers.)

(3) Crease film with a bone folder. Jacket is now ready to place on book.

(2) Remove liner from anchor tape. Fold transparent film over edge of book jacket and press down tape to hold in position.

(4) Wrap jacket around book. Lift jacket away from book and apply tape to hard outside cover of book. Wrap tape over edge of book and apply to book jacket cover.
